**Did your group complete a “volunteer experience” OR a “service-learning” experience? What did your group do?** (A volunteer experience focuses on the ACTION provided. A service-learning project focuses equally on the ACTION as well as the education, reflection and learning outcomes.)

**List the community agency(s) or group(s) that benefited from this project. What is the agency’s mission? How did your project help support the mission of the agency?**

**If your group completed a “service-learning” experience, please describe how you incorporated education, reflection, and intentional learning outcomes? What did the group learn?**

**How did the project go? What worked? What would you do differently next time?**

**What are your next steps in staying connected to the community? What will you do from here?**
