

THE LEADERSHIP CHALLENGE COMPLETION FORM

To be completed by May 1, 2006

I have completed the challenge!

Please complete this form to describe how you have met the three components of the Leadership Challenge. In order to be considered for completion, you will need to submit this completed form to the Office of Student Life and sign up for a time to share your portfolio **no later than May 1, 2006**. *Note: All Leadership Challenge participants who are graduating in May 2006 must submit these materials by April 1st in order to be honored in the graduation program.*

Leadership Development Workshops and Conferences: To complete the program, students must attend two workshops per semester (or in special cases, four for the year). Please list the workshops you attended this year, and support your attendance with the appropriate reflection form in your portfolio.

1. _____
2. _____
3. _____
4. _____

Additional workshops beyond the minimum?

Service Learning: The second part of the leadership challenge is service-learning. To complete the program, students must participate in at least one service-learning project during the 2005-2006 year and support this participation with a reflection form in your portfolio. Please briefly describe your service learning experience:

Campus Involvement: The third and final piece of the leadership challenge is campus involvement. To complete the program, students must demonstrate significant campus involvement during your time at Carroll Community College. Please list and describe all the ways that you have been involved on campus this year (include activities you have attended, committee you have served on, club and organization involvement, and any other experience that has helped you connect to the campus).

Thank you! When you submit this form, please schedule a time to present your portfolio to the Office of Student Life to complete the final step in the challenge.
