

KIDS FOR PEACE

Kids for Peace Camp teaches children, ages 6–13, about the world in a way that is both educational and fun. Each week, campers learn about a different part of the world and immerse themselves in those cultures through music, art, world studies, games, cooking, drama, folktales, dance and more. Campers gain peacemaking skills and look at serious issues that threaten peace and justice around the world.

The Carroll Community College Kids for Peace Camps are now half-day programs and meet daily from 9 a.m.–12 noon.
