These may include a high school diploma, residency or additional exams. It is the student's responsibility to be aware of those requirements.

Course Textbooks

Textbooks for continuing education courses are generally available for purchase approximately one week before your course begins.

Carroll Community College is aware of the high cost of college textbooks. Students buying textbooks will find specific ordering information such as author, title, edition, ISBN, etc. for each textbook on the Carroll Community College Bookstore website (www.carrollbookstore.com) three weeks prior to each semester. For noncredit courses, the bookstore will post ordering information as soon as possible prior to the start of the course.
