Camps for ages 3 – 12!

PRESCHOOL CURIOSITY SHOP

NEW! A Dip in the Ocean

During the week the children will discover life under the sea. They will become more aware of the ocean's wonders. Creating a seascape mural will be the camp project.

Cost: \$120

Course #: KID-040-ALL Jul. 9 – 13, 9 a.m. – 12 p.m. Ages 3 – 5

NEW! Numbers Parade

The campers will work on number recognition, 1 to 1 correspondence, and counting. They will plan a parade of their own with music and song. By the end of the week they will be marching to the numbers beat.

Cost: \$120

Course #: KID-041-ALL Jul. 16 – 20, 9 a.m. – 12 p.m. Ages 3 – 5

CAREER KIDS

ALL NEW PROJECTS!

Engineering Camp

Get the inside scoop on what engineering is about today and into the future. Just like in real life, you'll work in teams to complete a special project that requires expertise from multiple engineering disciplines. An experienced engineer will lead you through the project with more Northrup Grumann Corporation professionals visiting daily. Don't miss this unique opportunity to experience the best in engineering! Instructor: Vicki Mahr

Cost: \$160

Course #: XXZ-830-A67 Jul. 9 – 13, 9 a.m. – 12 p.m. Ages 11 – 12

Nursing Camp

Discover all the different things that nurses do! You'll keep patient records, solve medical mysteries and work with a simulated patient that actually screams and yells! You'll also use the Doppler to hear blood flow, give an injection (to an injection pad) and who knows, maybe even view real body parts. Instructor: Deborah Grubb

Cost: \$165

Course #: KID-034-A69 Jul. 16 – 20, 9 a.m. – 12 p.m. Ages 11 – 14

Veterinary CSI

What do you do when you find a dog that was hit by a car? Follow the case of the animal as you learn how to diagnose conditions and explore treatment procedures including possible surgery. Learn to use a stethoscope to hear the heart and lungs. View and interpret real x-rays of an injured dog. Take a look at how specialized equipment is used for injured animals and learn about the nursing care a recovering animal needs. Includes a trip to a local animal hospital to see the real deal. Instructor: Marian Beattie

Cost: \$155

Course #: XXZ-852-A46 Jun. 25 – 29, 9 a.m. – 12 p.m. Ages 9 – 11

Course #: XXZ-852-C46 Jul. 16 – 20, 9 a.m. – 12 p.m. Ages 9 – 11

Veterinary CSI: 2

This camp is for those who completed Veterinary CSI and are ready for the next level. Learn about animal anatomy and how everything works together in the healthy animal. Explore fluid therapies and set up your own IV bags and fluid rates. Become your own surgeon as we explore sterile techniques and how to put on surgical gowns and gloves.

Practice your suturing techniques using real suture materials. Learn to become a real animal medic as we perform animal CPR. Explore animal conservation and zoo medicine at the Baltimore Zoo Animal Hospital!

Instructor: Marian Beattie

Cost: \$160

Course #: KID-074-A46 Aug. 6 – 10, 1:15. – 4:15 p.m. Ages 9 – 11

COOKING KIDS

Special note to parents about cooking camps: Students should wear closed toe shoes and long pants (no sandals or shorts in the kitchen).

Cooking camps will not meet on the College campus, but will be held at the Carroll County Career & Technology Center in Westminster. Instructions for drop off and pick up will be mailed to you with your confirmation packet.

ALL NEW RECIPES!

Baking and Desserts

You love to eat them, now you can bake lovely sweets that will make your mouth water. Learn how to mix, measure and use kitchen equipment. Prepare icing and decorate a cake, create a pie, sweet pastries and other baked items. All from scratch! Of course, you'll take home all the goodies for your family. Class size limited. Instructor: Tim Norwood

Cost: \$140

Course #: XXZ-819-A36 Jul. 9 – 13, 9 a.m. – 12 p.m. Ages 8 – 11

NEW! Hello Cupcake!

If the thought of decorated cake and cupcakes fills you with delight, make them yourself for your friends and family. Create cupcakes and cakes that are moist and delicious and then make them even more mouthwatering with fillings, piped frosting embellishments and 3D decorations using a 4th of July theme. Class size limited. Instructor: Tim Norwood
