

TEEN COLLEGE

Circus Camp

Hey...it's time to clown around...for REAL. Start with whatever experience you have or none at all, and end up learning how to juggle, spin plates, walk the tight wire, stilt walking, all kinds of clowning and much more. At the end of the week, perform your new circus acts for relatives and friends. The performance coaches are professional clowns and comedy performers. What are you waiting for? In Partnership with Michael Rosman's Circus Stars

Cost: \$290

Course #: KID-001-A20 Jul. 9 – 13, 9 a.m. – 4:15 p.m. Ages 7 – 15

Course #: KID-001-B20 Jul. 16 – 20, 9 a.m. – 4:15 p.m. Ages 7 – 15

Glee Camp

Sing it out and dance it up as you learn to perform like the cast of the hit TV show Glee. Practice radio hits and Broadway classics, learn basic harmonies and show choir-style dance routines with your age group and join the younger group for one or two group numbers. Create your own costumes for the show choir-style performance you'll give at the end of the week. No special experience is necessary. Instructor: Trish Deen

Cost: \$125

Course #: KID-007-B80 Jul. 23 – 27, 1:15 – 4:15 p.m. Ages 13 – 15

NEW! Magic Camp

Calling all magicians! Beginners and those skilled in the magical arts! Test your skills at disappearing coins, cards levitation of objects, and much more. Magician's apprentices construct their own magic wand and other magical props while discussing the science and illusion behind each trick. The week ends with a "Magical Extravaganza Show" for invited guests. Instructor: Gary Furman

Cost: \$130

Course #: KID-059-A70 Jul. 9 – 13, 9 a.m. – 12 p.m. Ages 12 – 15

Summer Theater

Don't be shy! Discover the joy of theater and acting. Gain a sense of confidence and poise that will help you feel at ease in any social situation for a life time! Learn how to use your voice and body effectively to portray a character through improvisations, games, scene studies and short sketches. Uncover behind the scenes secrets about make-up techniques, lighting, sound, set construction and dressing, props and more. Then, pull it all together and perform a play for your family and friends. Instructor: Lora Strosnider

Cost: \$249 (2 weeks)

Course #: XXZ-216-A70 Jun. 25 – Jul. 6, 1:15 – 4:15 p.m. Ages 12 – 15

VIDEO GAME PRODUCTION

NEW! Make Your First 3D Video Game

Go beyond the 2D limits as you go beyond the limits of traditional games. Learn the physics behind 3D game design and explore event scripting, level design, controlling flow of game play, and storytelling. Games will be available on a password protected website to share with friends and family. Class size limited. Instructor: Black Rocket Staff

Cost: \$179

Course #: KID-085-A70 Jul. 30 – Aug. 3, 9 a.m. – 12 p.m. Ages 12 – 15

Make Your First Video Game

Make your first video game in this one-of-a-kind class that shows you the crucial keys to designing your first 2-D game. Conceptualization, play experience, challenge levels, graphics and elements, music and sound, software, and simple coding are just some of the concepts that we'll explore as you learn how to really get into the game. No prior experience necessary. Student created games will be available on a password protected website to share with friends and family. Instructor: Black Rocket Staff

Cost: \$179

Course #: XXZ-823-A70 Jun. 25 – 29, 9 a.m. – 12 p.m. Ages 12 – 15

Video Game Programming

Ever wonder how video games are made? Learn how to create your own video games from scratch that you can share with your friends! Students will create original characters and worlds. Students will also learn about the logic processes that are involved in developing a video game. Instructor: Linda Nestor

Cost: \$150

Course #: XXZ-537-A70 Jul. 9 – 13, 9 a.m. – 12 p.m. Ages 12 – 15

Video Game Programming 2

The next big thing in video game programming is here. Create platform games and make characters jump and deal with gravity. You'll also add depth and scrolling backgrounds to give your games movement. Prerequisite: Video Game Programming. Instructor: Linda Nestor

Cost: \$135

Course #: XXZ-853-A70 Jul. 23 – 27, 9 a.m. – 12 p.m. Ages 12 – 15

NEW! X Games

You've learned the basics, now it's time to take it to an UNREAL level. Use powerful computers with industry grade software. Not for amateurs, this camp will help aspiring game designers break into the industry. Start with editing, 3D modeling, event scripting and story writing. Continue your project at home with 7 additional hours of online instruction. Then your game will be on Black Rocket's gaming site for 3 months and available to all users. System Requirements for home use: PC computer with 2 GB of RAM, 2.0 GHZ processor, and a ShaderModel3 compatible video card. Instructor: Black Rocket Staff

Cost: \$399

Course #: KID-072-A70 Jul. 23 – 27, 1:15 – 4:15 p.m. Ages 12 – 15

WOODWORKING

NEW! Table and Chair Guild

Guild members design and fabricate their own chair and work table! You will read plans, measure, cut, shape, plane, shave, sand, drill and join materials found in most home improvement stores. Chairs and tables are finished with a natural topcoat and ready to take home on the last day! Hand tools and light portable power tools are used, with an emphasis on safety and craftsmanship. Instructor: Future Makers Staff

Cost: \$145

Course #: KID-081-A60 Aug. 6 – 10, 1:15 – 4:15 p.m. Ages 11 – 15

NEW! Woodshop Apprenticeship

Become a woodworker! Each apprentice completes three high quality personal projects. Apprentices practice following plans, accurate measurements, marking, cutting, drilling and shaping with hand tools. Every project is sanded, personalized with applied wooden features, and protected with hand rubbed finishes. Hand tools are used, with an emphasis on safety and craftsmanship. Instructor: Future Makers Staff

Cost: \$145

Course #: KID-077-A60 Jul. 30 – Aug. 3, 1:15 – 4:15 p.m. Ages 11 – 15

AND EVERYTHING ELSE!

NEW! Law and Order

Whether you want to be a lawyer or perfect the art of debate. Learn the essential elements of public speaking principles of the legal system and how to debate any side of an issue. Serve as either a member of the prosecution, the defense, a witness, or a judge. End the week with a jury of your peers deciding the fate of the accused. Instructor: Black Rocket staff

Cost: \$150

Course #: KID-089-A70 Jul. 2 – 6, 1:15 – 4:15 p.m. Ages 12 – 15

NEW! Myth Mania

Discover unknown worlds, take on ferocious beasts, and walk among the gods! In one epic week, we'll explore the mythical worlds of the Greeks, Romans, Egyptians, and Vikings. Get to know the monsters, heroes, gods, and goddesses of these legendary civilizations. Compete in Olympics, race a chariot, wrap a mummy, build a Viking longboat, and much more—all while enjoying some of the greatest stories ever told! Instructor: Julie Castillo

Cost: \$211

Course #: KID-053-A60 Jul. 2 – 6, 9 a.m. – 4:15 p.m. Ages 11 – 15

Outback Survivor

Love to hike? No fear of the forest? If this describes you, then you've got what it takes to survive in this camp. Learn how to navigate in the woods using a compass, identify animal tracks, and make a shelter from the elements of nature you'll find in the woods. This week includes two hikes on Carroll County's nature trails. Instructor: Bill Aldrich

Cost: \$165

Course #: XXZ-878-A70 Jun. 25 – 29, 9 a.m. – 12 p.m. Ages 12 – 15

NEW! Science and Your Sixth Sense

If you've ever wanted to go on a ghost hunt like on TV, then this camp is for you! Explore the science behind the phenomenon as you learn about remote viewing, ESP, divining, Kirlian Photography, psychometry, and mediumship, through the eyes of leading researchers and scientists. Learn how EMF detectors, thermometers, infrared cameras and even flashlights can help us detect the undetectable. Bring your cameras along as we practice using this equipment on a real life ghost hunt of our own. We can't tell you where...it's got to be a surprise! Instructor: Marian Beattie

Cost: \$155

Course #: KID-076-A70 Jul. 16 – 23, 1:15 – 4:15 p.m. Ages 12 – 15

Career Explorations for High School Students

Design Studio

A rigorous studio experience for high school students interested in a Graphic and Multimedia Design career.

- Dive into a real-world graphic design studio experience.
- Experience the diversity of the graphic design industry.
- Discover the latest in multimedia.
- Meet and work with Carroll's Computer Graphics professors.

Monday – Friday, June 18 – 29 (10 sessions)

9 a.m. – 12:30 p.m.

\$245

For more details:

www.carrollcc.edu/DesignStudio

IT CareerPaths

Intensive program for high school students interested in an Information Technology career.

- Gain hands-on experience working with IT projects.
- Visit local IT departments of local information technology leaders.
- Meet and interact with IT professionals, supervisors and senior-level managers.
- Explore internships and career opportunities.

Monday – Thursday, June 25 – 28 (4 sessions)

9 a.m. – 4 p.m.
