SUMMER!

KIDS@CARROLL & TEEN COLLEGE

Skip the Hassle of Packing a Lunch

Grub Club is an easy way to get a good lunch for your camper! Our College Café will provide delicious and healthy lunches all week long. See the summer menu at carrollcc.edu/summerkids. Advanced registration is required, and space is limited. (See p. 23 for details.)

As always, campers attending morning and afternoon camps in the same week can enjoy lunch brought from home, supervised by our amazing staff, and play recess games at no extra cost.

Hours

Morning camps are 8:30 a.m. – noon.
Afternoon camps are 1 – 4:30 p.m.

Full-day camps are 8:30 a.m. – 4:30 p.m.
NEW hours for off-campus cooking camps are 9 a.m. – 3 p.m.

Safety First

We are still following local, state and CDC guidelines to bring you the best summer camp experience. We reserve the right to make changes to our guidelines and programs at any time based on the most current CDC, state and local recommendations without notice or liability. See our website for the most up-to-date information.

When you choose a Maryland Department of Health certified youth camp program, you are selecting a program that is inspected to meet state health and safety requirements. Find camps certified by the Maryland Department of Health at <https://mdhyouthcamps.force.com/CampSearch/s/>

Communication

Important camp messages are sent via email. Make sure we have a valid email address and please add cet@carrollcc.edu to your contact list.

Financial Assistance

If you have financial need, limited funds are available and will be awarded on a first-come, first-served basis. For more information or an application, email cet@carrollcc.edu.

FAQ

How will I know if my camp is canceled?

We send important camp messages including schedule changes and cancellations via email. We need a valid email address in your online profile. Please add cet@carrollcc.edu to your contact list.

Will I receive a refund if my child can't come to camp?

See our refund policy on page 23.

Do I have to fill out a new Health & Emergency Contact Form every year?

Yes. A current Health & Emergency Contact Form is required for each participating child by June 3. See the 2024 form on our webpage www.carrollcc.edu/summerkids.

What's your tax ID number? How do I get a receipt?

Our tax ID number is 52-1806-923. For a receipt of your payment, please contact our Business Office at **410-386-8040** or check your camper's dashboard.

What if I have more questions?

If you need more information not addressed in the Registration Information section on pages 22 – 24, you can call **410-386-8100**, email cet@carrollcc.edu or refer to our webpage at www.carrollcc.edu/summerkids for the most up-to-date information about camp policies and procedures.

CAREER KIDS

NEW! Crazy Cooking

Using math skills like measurement, graphs and sequence, children will follow “crazy” recipes to produce delicious products. Discuss healthy foods and types of cooking. We will be busy little chefs!

KID-544-AK1 Aug. 5 – 9 8:30 a.m. – 12 p.m. \$180 Ages 5 – 6

Pets 101

Discover what it takes to be the best pet owner. Explore the different needs of pets and what basic care each pet needs. Learn the proper nutrition and exercise for some of your favorite animals, how to groom pets and which ones groom themselves. Understand what a veterinarian does in a basic checkup.

KID-407-A13 Aug. 12 – 16 8:30 a.m. – 4:30 p.m. \$355 Ages 6 – 8

Picture Me A Photographer

Capture your best photos with your camera. Discover how a camera works, the beauty of capturing light and the joy of expressing yourself with photography. Explore the basics of light, composition and perspective. Learn some Photoshop basics. Photograph nature, architecture and still life. Create your name through photographs! Bring a point and shoot or digital SLR camera for a fun-filled photo camp.

KID-084-A46 Jul. 15 – 19 8:30 a.m. – 12 p.m. \$195 Ages 9 – 11

COOKING KIDS

Cooking camps are held off campus at Gateway School and are full day from 9 a.m. – 3 p.m. Note that camps begin later and end earlier than camps held on campus. Campers will have a 45 minute lunch break and must bring their own non-refrigerated lunch.

Look for an email with directions and instructions by June 21. No transportation will be available.

Kids Chopped

Learn about the skill, speed and ingenuity it takes to be a Chopped Chef. This week, learn to take mystery ingredients and turn them into a dish that is sure to please your family and friends. Top off the week with a competition to test yourself as a Chopped Chef. Class size limited.

KID-204-A46 Jul. 15 – 19 9 a.m. – 3 p.m. \$330 Ages 9 – 11

Register for MORNING + AFTERNOON CAMPS

for a Full Day of Fun!

Kids in the Kitchen

Learn your way around the kitchen in this yummy camp! You'll practice your measuring skills, learn how to handle small knives, use a blender and operate a mixer. Start off making cookies from scratch and then wow your family as you prepare pizza with homemade crust, real yeast bread and more. Class size limited.

KID-108-A46 Jun. 24 – 28 9 a.m. – 3 p.m. \$310 Ages 9 – 11

NEW! Nailed It Chef

Our amateur bakers and chefs will attempt to recreate an edible masterpiece while learning kitchen skills to apply to other aspects of cooking. Campers will follow a recipe to cook a masterpiece. Then use new skills and creativity to kick it up a notch! Mistakes are just an opportunity to learn. Have fun making a mess and, even more so, cleaning it up! Class size is limited.

KID-553-A46 Jul. 29 – Aug. 2 9 a.m. – 3 p.m. \$330 Ages 9 – 11

DIGITAL KIDS

NEW! A.I. Adventures— Intro to Machine Learning

Explore the world of artificial intelligence to design fully interactive games and experiences using cutting-edge technology. This program combines artificial intelligence with coding to create an unforgettable learning adventure. Campers will construct machine learning models that use image and text recognition within block-based coding software to build a portfolio of projects. Camper-created projects will be available on a password-protected Black Rocket website to share with friends and family. This camp is designed to be collaborative, and campers will work in pairs or teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

KID-549-A36 Jun. 24 – 28 8:30 a.m. – 12 p.m. \$245 Ages 8 – 11

Bricks and Sticks Stop Animation

Take your stop motion movies to the next level. First, create a story with Stikbots, LEGOs®, action figures or all three! Then watch your story come to life using special stop motion software that allows you to add special effects and go beyond the typical software on a mobile device. Campers will need to bring in figures, Stikbots and/or LEGOs from home, but all other equipment will be provided. Camper-created films will be available on a password-protected website to share with friends and family. Campers will work in pairs or teams for most of the program. Class size limited. *In partnership with Black Rocket Productions.*

KID-379-A13 Jul. 29 – Aug. 2 1 – 4:30 p.m. \$249 Ages 6 – 8

Cloud Gamers: Mobile App Development

Cloud gaming is the way of the future! Build games you can play anywhere using a web-based development tool. Learn in-demand skills like programming events and coding controls for a touch screen or keyboard and mouse. Finish by personalizing levels and characters with your own design. Now you are ready to upload your games to the Black Rocket cloud arcade and play on any mobile device or computer. Games can easily be shared with friends and family! This camp is designed to be collaborative, and campers will work in pairs or teams for most of the program. Class size limited. *In partnership with Black Rocket Productions.*

KID-525-A36 Aug. 5 – 9 1 – 4:30 p.m. \$249 Ages 8 – 11

LEGO® Films and Stop Action!

Make your LEGOs come to life! Bring in your favorite action figures or LEGOs and create a short film with your friends. Whether you want to recreate a scene from Star Wars or design a world of your own, this camp brings your dreams to the screen. Campers will need to bring in LEGOs and/or action figures from home, but all other equipment is provided. Camper-created films will be available on a password-protected website to share with friends and family. Returning campers can create more advanced projects that build on previous camps. This camp is designed to be collaborative and campers will work in teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

KID-027-A13 Jul. 15 – 19 8:30 a.m. – 12 p.m. \$249 Ages 6 – 8

KID-027-A36 Jul. 29 – Aug. 2 8:30 a.m. – 12 p.m. \$249 Ages 8 – 11

Make Your First 3D Video Game

Go well beyond the limitations of the traditional 2D game design camp and create an immersive 3D world. Campers will learn the physics behind 3D games, explore beginner event scripting, level design, controlling the flow of gameplay and storytelling. Camper projects will be available on a password-protected Black Rocket website to share with friends and family. Projects are only compatible with Windows devices. This camp is designed to be collaborative and campers will work in teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

KID-085-A36 Jul. 15 – 19 8:30 a.m. – 12 p.m. \$249 Ages 8 – 11

Make Your First Video Game

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind camp that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds and simple coding are just some of the concepts we'll explore. No prior experience necessary, just a desire to have fun. Camper projects will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers. Returning campers can create more advanced projects that build on previous camps. Campers will work in pairs or teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

KID-112-A36 Aug. 12 – 16 8:30 a.m. – 12 p.m. \$249 Ages 8 – 11

Minecraft® Designers

If you love the game Minecraft and always wanted to design your own world, this camp is for you! Learn how to create a custom map, design structures to share between worlds, build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Campers must own a Java version of Minecraft to access their projects at home. Tablet, phone and game console versions of Minecraft are not compatible. Returning campers can create more advanced projects that build on previous camps. Campers will work in pairs or teams for most of the program. Class size limited. *In partnership with Black Rocket Productions.*

KID-227-A36 Aug. 12 – 16 1 – 4:30 p.m. \$249 Ages 8 – 11

Minecraft® Modders

Customize your own Minecraft world and mod the classic game in this one-of-a-kind class. Learn scripting and logic statements as you create your first mods. Campers will create a wide variety of new elements, gameplay mechanics, and world-generating mods to change the way you play Minecraft. Projects will be available on a Black Rocket website to share with friends and family. Campers must have the Java version of Minecraft to play mods outside of camp. Tablet, phone and game console versions of Minecraft are not compatible. This camp is designed to be collaborative and campers will work in teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

KID-250-A36 Jul. 15 – 19 1 – 4:30 p.m. \$249 Ages 8 – 11

ROBLOX® Coders

Discover the Lua language through a visual block coding system while designing worlds in ROBLOX, an online universe where you can create anything you dream of. This camp combines game design concepts, coding and fun! Young entrepreneurs will also learn how to navigate ROBLOX's fast-growing marketplace to publish their games. Camper-created games will be available on a password-protected Black Rocket website to share with friends and family. This camp is designed to be collaborative and campers will work in teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

KID-078-A36 Aug. 5 – 9 8:30 a.m. – 12 p.m. \$249 Ages 8 – 11

ROBLOX® Makers

Unlock the power of ROBLOX® Studio, the world creation tool used by real-world ROBLOX® developers! Learn how to build 3D models and create an adventure in your ROBLOX® world. Bring characters to life with unique animations you design. Camper-created projects will be available on a password-protected Black Rocket website to share with friends and family. This camp is designed to be collaborative and campers will work in teams for most of the program. Class size is limited. *In partnership with Black Rocket Productions.*

Cost, Fees and Confirmations

Carroll County residents deduct \$10 per camp and non-Carroll County Maryland residents deduct \$5 per camp. Non-U.S. citizens pay course cost (\$10 waived with copy of appropriate visa).

Drop-Off

Do not drop your child off without observing that they have been greeted by a staff member. If you are late, you will drop off your child in the Continuing Education office, room A115. Instructors may not accept campers directly in the classroom.

We cannot supervise your child before 8:15 a.m. We cannot supervise afternoon participants before 12:45 p.m. Children attending full-day or both morning and afternoon camps in the same week will be automatically supervised for lunch.

Drop-off and pick-up will implement best practices from federal, state, local and professional agencies to promote safety. We reserve the right to make changes to our guidelines and programs described at any time based on the most current CDC, state and local recommendations without notice or liability.

Please check our website periodically for changes.

carrollcc.edu/summerkids

Pick-Up

Campers will only be released to authorized adults listed on the Health & Emergency Contact Form who sign the attendance form. It is important that your child is picked up promptly. With parent/guardian permission, teens age 13 and older may sign themselves out. (See website for procedure and permission form.)

We cannot supervise campers after 4:45 p.m. We cannot supervise morning students after 12:15 p.m. unless they are registered for an afternoon camp. Campers attending full-day programs or a morning and afternoon in the same week will be automatically supervised for lunch.

Early Pick-Up:

If you need to pick up your child early, please inform College staff with the proper form at the time of drop-off or call Continuing Education at 410-386-8100 so you can complete an Early Pick-Up Form. You will pick up your child from the Continuing Education office, room A115. Instructors may not release campers directly from the classroom.

Lunch

Lunch supervision is provided **free** of charge to campers registered for a morning AND an afternoon camp in the same week or a full-day camp who bring a non-refrigerated lunch from home. We operate daily from noon – 1 p.m. for enjoying lunch, visiting with friends and playing games. Please note, Carroll Community College does not guarantee an allergy-free environment.

Children attending only one half-day camp are not eligible for lunch supervision services.

NEW! Grub Club

Skip the Hassle of Packing a Lunch!

Let the College Café provide delicious lunches for your camper all week long. All meals include a main feature with two sides, all kid-approved! Advanced registration is required and space is limited. You must order lunch for the whole week. There are no refunds if lunch is ordered and a child misses camp that day for any reason. Available for purchase on a weekly basis only. No single-day lunches are available. See the full summer menu and details at carrollcc.edu/summerkids. No substitutions will be made, please read menus carefully.

Cost: \$45 per week

Campers must register for each week of Grub Club separately and in advance.

Course #: KID-522

Don't forget: Carroll County residents deduct \$10 per session and Maryland (non-Carroll County) residents deduct \$5 per session.

There will be no snack provided throughout the day or after camp. Snacks must be provided from home. Full-day campers should bring an a.m. & p.m. snack.

Parent information and other useful camp forms are available on our website at carrollcc.edu/summerkids for the most up-to-date information. Watch your email for additional updates so the first day of camp goes smoothly for you and your camper.

Refunds

If your child cannot attend a program and the College is notified at least 10 business days before it begins, we will issue a full refund. For notification with fewer than 10 business days, we will be happy to provide a refund less the camp fees which cover the cost of pre-purchased materials and non-refundable commitments to Partners.

No refunds are given once a camp begins.

The College expects all programs to be presented as scheduled. In the event a program is cancelled, every effort will be made to either place your child in another program of their interest or provide a refund. However, a program could be cancelled due to insufficient enrollment. A decision about cancellation is made 2 weeks before the start date of the camp. You will be contacted by email of cancellations.

Registration Info & Other Stuff to Know

Emergencies and Special Needs

Health & Emergency Contact Form

A current Health & Emergency Contact form is required for each participating child by June 3. A new form must be completed each year. Without this completed form on the first day of the program, your child will not be able to participate. Access this form online at carrollcc.edu/summerkids or call 410-386-8100 to pick up or have a form mailed.

Emergencies

If an emergency occurs, appropriate medical attention will be administered and the person designated on the form will be contacted immediately. A nurse will be on call during the program hours and a person authorized to administer selected medications (with all required forms) and first aid is on duty. The Kids@Carroll website carrollcc.edu/summerkids includes instructions about medication forms required for medications dispensed during the program hours.

Students need to be picked up by a designated individual within a 45-minute window of notification by the Health Room.

A Health Room (Isolation Room) is designated for campers and staff displaying COVID-like symptoms. Wearing a mask will be required in this room while campers are waiting to be picked up.

Special Needs

All students, regardless of disability/challenge (e.g. physical, learning, psychological, emotional, behavioral, etc. or medical condition), must abide by the rules and regulations of Carroll Community College code of conduct (See terms and conditions), including exhibiting classroom behavior that allows for a student environment free from harassment, discrimination and disruption. We understand that some students require additional assistance to meet that standard, and we will determine if reasonable accommodations can be provided that will allow the successful delivery of instruction to all students in the class. To help us meet this goal, after you have registered, please contact our Disability Support Services disabilitysupport@carrollcc.edu at least two weeks before the start of the earliest camp to inform the College of any physical disabilities or behavioral/social challenges your child has and to discuss possible accommodations. A staff member will contact you to discuss your child's individual needs and determine what reasonable accommodations can be made. Carroll Community College does not provide medical assistants or personal care attendants. Campers are expected to exhibit independence and ability for self-care. Parents are not permitted to attend camp with their child.

Behavior contrary to the college code of conduct cannot be tolerated and may result in dismissal.

Masks are optional and mask wearing will not be enforced by our faculty and staff members. It is the parents' and campers' responsibility to supply and to ensure proper use of the masks. All who choose to wear a mask will be treated with respect.

We reserve the right to make changes to our guidelines and programs described at any time based on the most current CDC, State and local Covid recommendations without notice or liability. Please check periodically for changes.

Emergency Notification System

It is recommended that you register for the College's free Emergency Notification System. Messages about any emergency closings will be sent directly to your email or cell phone. To enroll in our Emergency Notification System please text CCCKids to 79516. You will receive a message confirming your enrollment. This service is voluntary, and users may opt-in or opt-out at any time. Depending on your wireless service agreement, a nominal fee may be incurred for receiving text messages. You will not receive messages for which you did not register. This information is not shared with or sold to third parties.
