Thank you for choosing to enroll your child in Carroll Community College's Summer!Kids@Carroll+Teen College Online. We are pleased to work with you to provide an enriching experience in this troubling time. This Agreement describes certain rules and understandings.

Carroll Community College will provide instruction and guidance through camp meetings and sessions. Most camps will meet five times a week, for 90 minutes each meeting, over a one-week period. You are responsible to have your child attend at the scheduled time. One registration is for only one participant. Each participant must be registered.

You, as the parent or guardian, are responsible to provide the hardware, software and connectivity for participating in the camp. Carroll Community College is pleased to provide support where possible, and to try to work through any problems, but Carroll Community College cannot be held responsible for issues or problems that arise.

In compliance with Maryland law, you, your student or anyone under your control under any circumstance may not record meetings or sessions of the camp. Carroll Community College may record the sessions and may make the meetings or sessions available to you and your child for viewing, at its sole discretion.

Meetings and sessions may include online chats, screen sharing and recording, both video and audio, by Carroll Community College. By signing this Agreement you give permission for your child to participate in these activities, including being recorded.

You agree that Carroll Community College is not responsible to monitor or supervise your child in connection with camp activities. You release Carroll Community College and its agents from liability in tort or otherwise from any act or action in connection with the camp to the fullest extent permitted by law. This is a General Release and Waiver.
