By signing the bottom of this form, I authorize the Financial Aid Office (FAO) to make my excess financial aid funds available to me for use in the Campus Bookstore from the week prior to the beginning of Fall, Spring and Summer through the first two weeks of each term.

I understand the following:

- 1. The anticipated enrollment indicated above will assist the FAO with creating my initial financial aid award package...
2. Attendance in class is mandatory for receipt of financial aid funds...
3. My financial aid awards will be adjusted (and some awards possibly reduced) to reflect any new awards...
4. I must maintain satisfactory academic progress each term...
5. Federal student aid and institutional scholarships apply only to courses that are required by my active program of study...
6. I am the only person that can access my record unless I give written permission for someone else to act on my behalf.

I have provided/will provide Carroll CC with an official final high school/GED/Homeschool transcript. Failure to do so will result in aid not being awarded until we have received a final transcript showing that a diploma was issued.

I give permission for my Financial Aid award notifications to be sent electronically and that I am responsible for checking my Carroll email on a regular basis.

I will notify the CCC FAO if I enroll at another College while attending CCC.
