DISCLOSURE REGARDING PROGRAMS FOR LICENSURE OR CERTIFICATION

Some programs at Carroll Community College (CCC) are designed to meet educational requirements for a specific professional licensure or certification that is required for employment in an occupation.

If you are an out-of-state student seeking professional licensure in a state other than Maryland and you are taking a course or program leading to professional licensure or certification, CCC currently does not guarantee that the course or program meets requirements for professional licensure or certification anywhere other than Maryland. We encourage all students, especially out-of-state students, to contact the appropriate state (or District of Columbia or U.S. territory) licensing board or agency where you intend to work to familiarize yourself with the state educational, licensing, and/or certification requirements.
