

Tuition Rate for Undocumented Students
For Eligible Maryland High School Graduates

As an open-admission institution, Carroll Community College grants admission to all students regardless of citizenship. Maryland Senate Bill 167 provides the opportunity for some non-U.S. citizens who attended high school in Maryland *to be exempt from paying the out-of-state tuition rate*. In order to qualify for this exemption *and be eligible for either the in county or out of county tuition rate*, students must meet the following requirements:

- (4) Provides documentation that the individual, or the individual's parent or legal guardian has filed a Maryland income tax return:
 - a. annually for the 3 years that coincide with the individual's attendance at a public or nonpublic secondary school in the State (home schooled students are subject to this requirement in the same manner);
 - b. annually each year between secondary school attendance and enrolling at the college, and
 - c. annually while attending a community college;
- (5) Provides an affidavit stating that the individual will file an application to become a permanent resident within 30 days after the individual becomes eligible to do so;
- (6) Provides proof that the individual has registered with the selective service system. *(This currently applies to all males 18 – 25. Proof of selective service registration can be obtained by filing with the Post Office and returning a receipt to the college that shows proof of registration or by providing a selective service card.)*

EXEMPTION FROM NONRESIDENT TUITION

- Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the college no longer offers this exemption.
- The exemption permits undocumented individuals to pay the in-county tuition rate based on the location of your high school.
- If you have received a GED, the tuition rate would be based on where you most recently attended high school.
- Students who meet the outlined requirements should complete the Tuition Application and Affidavit for Undocumented Students.
- Supporting documentation is required.
- The application and documentation will be reviewed within 14 days.
- *Applying for the exemption does not alter your responsibility to pay by the college deadline any nonresident tuition and associated fees that may be due before your eligibility is determined.*
