

ARTICULATION AGREEMENT No. 1
Between APUS and Carroll Community College

This Articulation Agreement is made and entered into, as of December 1, 2018 (“Effective Date”), until November 30, 2019 (Termination Date) by and between American Public University System, Inc. (“APUS”) and Carroll Community College (“Institution”) (individually a “Party” and collectively the “Parties”) to facilitate and define the terms of the transfer of Institution students who graduate with an Associate of Science degree in Nursing at Institution to the Bachelor of Science degree in Nursing at APUS (“Articulation Agreement No. 1”). This Articulation Agreement No. 1 is incorporated by reference into the Education Partnership Agreement made and entered into, as of December 1, 2018 by and between the Parties (“EPA”) (collectively with any other articulation agreements entered into between the Parties, the “Agreement”).

AGREEMENT

Institution and APUS agree to offer articulated programs through which students from Institution, pursuant to the terms of this Agreement, may transfer eligible credits earned for the Associate of Science in Nursing at Institution toward the Bachelor of Science in Nursing at APUS. In consideration of the promises and covenants herein, the parties agree as follows:

1. Students in and graduates of the Associate of Science in Nursing program at Institution that apply to APUS and satisfy all APUS admission requirements may be admitted to APUS (“APUS Students”). APUS Students will receive transfer credit for those specific Institution courses (each a “Course”) as set forth in the Course Crosswalk transfer table, attached hereto as Appendix A.
2. The number of credits transferred may not exceed 90 credit hours, which contribute to the fulfillment of credit hours required for Bachelor of Science in Nursing completion at APUS.
3. An Institution student must earn a grade of “C” (2.0 on a 4.0 scale) or better in each Institution course for which the student desires transfer credits from Institution to APUS.
4. The maximum number of credits that will be accepted by APUS toward degree requirements from non-direct classroom instruction (including CLEP, AP, and other nationally recognized standardized examination scores) is based on annually published national scores with recommended credits. Credit awarded for prior learning assessments (“PLA”) is not recognized by APUS without verification through the APUS PLA process.
5. Institution students who complete the Associate of Science in Nursing at Institution will be given consideration for financial assistance at APUS in accordance with then applicable regulatory requirements and APUS policies.
6. Institution and APUS agree to monitor the performance of this agreement and to address issues as necessary.
7. The Parties shall review the Course Crosswalk transfer table attached hereto as Appendix A at least annually and either Party may notify the other Party at any time in writing of necessary changes to the Course Crosswalk transfer table. The Parties shall work together to modify the Course Crosswalk transfer table accordingly, which modified table shall be incorporated herein and applied by the Parties under this Articulation Agreement No. 1.
8. The term of this Articulation Agreement No. 1 shall be for one year, and it shall renew automatically for four (4) consecutive one year terms unless terminated earlier in accordance with this Articulation Agreement No. 1. Either Party may terminate this Articulation Agreement No. 1 for convenience and without cause or liability upon providing sixty (60) days’ written notice. Termination of this Articulation Agreement No. 1 will not affect any APUS Student currently enrolled in the Associate of Science in Nursing program at Institution that is taking courses at APUS or has been accepted into the Bachelor of Science in Nursing program at APUS at the time of termination. Notwithstanding anything

herein to contrary, this Articulation Agreement No. 1 shall immediately terminate upon termination or expiration of the EPA.

* * *

IN WITNESS WHEREOF, the Parties have caused this Articulation Agreement No. 1 to be signed by their authorized representatives on the date and year first written above.
