What are Arts and Sciences?

We offer the following definitions to help you make these determinations. Remember, however, that before you pay to take a course or examination you should always consult with your advisor to make sure that it will help meet your degree requirements.

Humanities

Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation. Here are some subject areas typically classified as Humanities:

Art	Philosophy
Music	Foreign Language
Literature	Theater
Ethics	Speech
Religion	Communication

Social Sciences and History

Social Sciences and History subjects focus on individuals and society and the processes individuals use to order their world. Here are some subject areas typically classified as Social Sciences and History

Psychology	Economics
Sociology	Geography
Political Science	History
Anthropology	

Natural Sciences and Mathematics

Natural Sciences and Mathematics subjects focus on understanding the natural world and problem-solving processes. Here are some subject areas typically classified as Natural Sciences and Mathematics.

Anatomy and Physiology	College Algebra
Microbiology	Calculus
Chemistry	Genetics
Biology	Physics

The publication *Using Exams to Complete your Excelsior College Degree* shows the classification of Excelsior College and other examinations in chart form. Each exam is listed under the requirement it satisfies. You can find this publication at www.excelsior.edu/469

Earn an Associate, Bachelor's, or Master's degree online through Excelsior College

Excelsior offers many online programs, including RN-to-BSN, Business, Cybersecurity, National Security, Health Sciences, Social Sciences, Criminal Justice, and Liberal Arts. Students can transfer up to 90 credits from accredited institutions. As a partner school, Carroll's graduates receive discounted tuition. Visit our partner page at <https://www.excelsior.edu/partner/carroll/> for details.
