CORE-TO-CORE TRANSFER ARTICULATION AGREEMENT
BETWEEN
CARROLL COMMUNITY COLLEGE
AND
GOLDEY-BEACOM COLLEGE

OCTOBER 2026

Preface

Carroll Community College (Carroll) and Goldey-Beacom College (GBC) enter into this Core-to-Core Transfer Agreement (Agreement) to facilitate the transfer of Carroll students to GBC. This Agreement applies to students who enter GBC's programs as full-time or part-time undergraduate students.

Core-to-Core

GBC agrees to accept the General Education embedded in Carroll's Associate in Arts (A.A.), degrees as meeting all the requirements of its undergraduate General Education requirements. Core-to-Core transfer does not alter the requirements of the student's major field of study as identified in the GBC catalog.

Qualifying Students

This Agreement pertains to the transfer of "Qualifying Students", *i.e.* those students who:

1. Have successfully completed the program at Carroll;
2. Are enrolled in Carroll, in good standing; and
3. Are accepted for admission to GBC

Transfer and Academic Guidelines

1. Transfer credit will be awarded for courses with a grade of "C-" or above for any and all courses transferred to GBC. GBC will need official transcripts for evaluation of credit from all institutions attended, including military transcripts. Credit will be awarded for AP, CLEP, etc. with appropriate documentation. Developmental courses are not eligible for transfer.

2. The maximum number of semester hours that can transfer to GBC is 90. Students enrolled in an undergraduate program of study at GBC are required to complete a minimum of 30 upper-level credits upon transfer to GBC.

3. A full-time student admitted with third year (junior) status to GBC will be able to complete a bachelor's degree at GBC within four regular (fall/spring) semesters, provided the student completes the appropriate associate degree at Carroll and completes and appropriately sequences their remaining coursework at GBC.

4. Under this Agreement, GBC guarantees that, with the exception of developmental course credits, all Carroll credits from Carroll programs of study listed in this Agreement will fulfill general education, elective or major requirements in the corresponding GBC major that the Carroll transfer student wishes to pursue.

5. Students who have pursued a Carroll associate degree study other than those designated in Appendix A of this Agreement and who wish to transfer to GBC will be

guaranteed admission on an individual basis and their credits will be evaluated on a course-by-course basis. Depending on the program of choice at GBC, not all transfer credits may be applied to major.

Responsibilities of the Institutions

The institutions agree to implement the transfer of Qualifying Students in accordance with applicable law and the following requirements and protocols:
