

MEMORANDUM OF UNDERSTANDING
CARROLL COMMUNITY COLLEGE & TOWSON UNIVERSITY
April 19, 2019

HEALTH, PROMOTION & EDUCATION (Community Health) B.S. Degree

Carroll Community College, Westminster, Maryland, and Towson University, agree to follow the articulation of courses outlined in the articulation (course equivalency) document, for completion of requirements for the Bachelor of Science degree in Health, Promotion and Education – Community Health Concentration (Attachment A), which is attached to, and incorporated by reference into, this Memorandum of Understanding (MOU). The following principles guide the operation of this MOU, with the requirements for transfer in specific curricula set forth in Attachment A.

1. Towson University will accept a maximum number of 64 credits from Carroll Community College as outlined in the Attachment A. The number of transferable credits specific to this program is reflected in Attachment A.
2. Students who have completed the Associate of Arts Degree in Arts and Sciences, Health Science concentration program at Carroll Community College may transfer into Towson University's Health, Promotion & Education – Community Health concentration program with junior standing provided that the student has completed all courses identified on Attachment A (which is attached to, and incorporated by reference into, this MOU) with a cumulative GPA of 2.00 or higher. Courses completed at Carroll Community College with 300 or 400 level Towson University course equivalencies will transfer as lower-level credit but will satisfy course content as indicated.
3. Only courses in which a grade of C (2.00) or better is earned will apply toward the major at Towson University.
4. In accordance with the MHEC transfer policy pertaining to general education requirements, Towson University will accept the completion of Carroll Community College's general education requirements (GenEds) and students will be required to complete courses at Towson University to satisfy the remaining *University Core* requirements as shown in Attachment A.
5. Towson University recognizes college-level experiential learning gained through previous work, military and/or volunteer service or life experience. Credit for prior learning may also be established through course challenge or standardized credit by examination.
6. Carroll Community College students transferring to Towson University will be given every consideration for financial aid and will be eligible to compete for academic scholarships upon entrance to Towson University subject to stated scholarship deadlines.

7. Both Carroll Community College and Towson University agree to work together to facilitate the transfer of students from Carroll Community College to Towson University to work cooperatively to insure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.
8. This MOU will be in effect initially for ten years, beginning *fall 2019*, with a review every two years by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The MOU may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.
9. Towson University will establish procedures to provide information on the academic progress of Carroll Community College students enrolled as part of this MOU.
10. This MOU, when signed, constitutes the entire agreement between the parties and supersedes all prior agreements and understandings between the parties respecting the matter hereof.

Carroll CC Course Selection Details

To qualify for this agreement, students must follow the course selections outlined in this document. Students who do not complete any or all of the courses outlined in this agreement will be required to complete the requirement at TU.

GENERAL EDUCATION:

Students should make the following selections for their general education requirements in order to also satisfy a requirement within the bachelor's degree at TU:

1. **Arts & Humanities:** Take **COMM 105** to satisfy the major requirement of COMM 131.
2. **Arts & Humanities:** Take **PHIL 105** in order to receive a core package which includes satisfaction of the Core 14 Ethical Perspectives requirement.
3. **Social & Behavioral Science:** Take **PSYC 101** in order to satisfy the major requirement of PSYC 101.
4. **Social & Behavioral Science:** Take **PSYC 211** in order to satisfy the major requirement of PSYC 203.
5. **General Education Elective:** Take **CHEM 101 or 105** in order to satisfy the major requirement of CHEM 121 & 121L or CHEM 131 & 131L.

PROGRAM ELECTIVES:

Students should choose the following courses as their program electives in order to satisfy required courses in the major at TU:

1. **HIT 225**, which will satisfy the required health education professional course of HLTH 207
2. **Two courses from the options of HLTH 215, HLTH 225, or HES 100**, which will satisfy the remaining 6 credits of required electives for the community health concentration through HLTH 220, HLTH 208, or HLTH 103

DEGREE REQUIREMENTS TO BE COMPLETED AT TU

To qualify for this agreement, students must follow the course selections outlined in this document. Students who do not complete any or all of the courses outlined in this agreement will be required to complete the requirement at TU.
